UNOPPOSED MOTION FOR SECOND EXTENSION OF TIME  
TO FILE APPELLANT'S PRINCIPAL BRIEF

---

Pursuant to Federal Rule of Appellate Procedure 26(b) and D.C. Circuit Rule 28(e), Appellant Peter K. Navarro, hereby moves for an extension of time within which to file its principal brief. That brief is currently due September 6, 2023, after the granting of an initial unopposed motion for extension to file. Dr. Navarro respectfully requests that the deadline for filing the principal brief be extended thirty (30) days, up to and include October 6, 2023. Counsel has conferred with government counsel for Appellee and government counsel signified that they do not oppose the requested extension.

This is Dr. Navarro's third request for an extension. The extension is necessary because there is a pending government motion in the trial court that could affect the contents of the appeal brief.

This motion is made in good faith and not for the purpose of delay. Appellee does not oppose the requested extension. Appellant does not oppose a concurrent extension of the Appellee's deadline to file their brief. Accordingly, for the reasons stated herein, Dr. Navarro respectfully requests that this motion be granted and that the due date for filing his principal brief be extended to and including October 6, 2023.

Dated: August 30, 2023    Respectfully submitted,
